PHOTOGRAPH & IMAGE REPRODUCTION POLICY & BILLING FORM

PHOTOGRAPH OR IMAGE USE CONDITIONS

The Associated Archives at St. Mary's Seminary and University has assembled extensive photograph collections relating to the history of the Archdiocese of Baltimore, St. Mary's Seminary and University, and the Associated Sulpicians of the United States. While one of the main concerns of the archives is the permanent preservation of these invaluable historical images, their use by interested researchers is also encouraged. In order to preserve properly the collections for future generations, make them available for current use, and honor the rights of copyright owners, the following policies have been established:

1. No materials may be borrowed. All reproduction work is done through the archives.
2. All reproductions made are for personal reference use only. Possession of a reproduction does not constitute permission to use it for commercial or non-profit projects. To use a reproduction from the archives' collections, a "Permission to Use" form must be completed and signed. The term "to use" includes, but is not limited to, print, film, video, slide presentation, television, computer or other electronic media, and exhibit formats.
3. Reproductions are not to be deposited in any other library or repository.
4. Photographs/images are not to be duplicated.
5. In requesting to reproduce materials from these collections, the requester agrees to indemnify and hold the Associated Archives at St. Mary's Seminary and University and its staff harmless and free from liability for acts of the requester in any action involving infringement of the rights of any person or heirs and descendants under statutory copyright.
6. The Associated Archives reserves the right to refuse to grant permission and/or to provide photographic reproduction services to publishers and individuals who have not complied with these conditions.
7. The Associated Archives is not responsible for damage or loss of copies sent by mail.

I have read and accept the conditions of the Associated Archives at SMSU as stated above.
