Fall 2020

Day of Week: Saturdays (eight) (9/5, 19, 10/3/17/31, 11/14, 21, 12/5)
Time: 9:00 am-1:00 pm

Course # & Name: SP609 Spiritualities of Liberation and Hope

Professor: Dr. C. Anthony Hunt

Course Description:

An analysis of Christian spirituality from various perspectives through the lenses of liberation and hope for the church and world today. The course will explore historical developments, theological literature, and recent trends in the practice of spirituality, and how liberation and hope are informed through the study and practice of spirituality, and how such spirituality can lead to human liberation and actualization in the churches and world today.

Note well: This course fulfills the Spiritual Theology Requirement for the Certificate in Spirituality
