Henry Chadwick, *The Early Church* (Penguin, 1993). Revised Edition. ISBN: 978-0140231991.

Donald Logan, *A History of the Church in the Middle Ages* (Routledge, 2012). Second Edition. ISBN: 978-0415669948. The (much-cheaper) first edition, ISBN: 978-0415132893, also is fine since that's the one I have.
